Six Senses Samui - Thailand

Six Senses Samui is a luxurious resort with uninterrupted vistas of the Gulf of Siam and outlying islands. The attention to detail is impressive, with individual villas set amid natural vegetation ensuring maximum privacy and space.

Each villa is split-level and has a private garden with outdoor shower. Most villas offer private infinity-edge swimming pools, and an impressive central pool is set high above the gulf with panoramic views. Other facilities include a natural rock pool, water sports centre and luxurious spa with outdoor treatment salas and indoor treatment rooms, a beauty salon and a gym. The ultimate in luxury, the Six Senses Samui is ideal for couples.
