ROVOS RAIL JOURNEY – SOUTH AFRICA

They say that Rovos Rail has renewed the golden age of luxury train travel in the heart of the African bush. These beautifully restored trains consist of up to 19 coaches drawn by steam, diesel or electric locomotives operating at various stages of the journey. The suites, as well as the observation and dining cars, have been refurbished in the style of the Edwardian period, but with all the modern comforts. Rovos Rail offers unique rail safaris through some of the most spectacular scenery in Africa.
